

Saturday 29th July 2017
Day 3 of the 3rd Investec Test
Kia Oval, London

What is Cricket United?

Cricket United Day is a joint fundraising appeal by three leading cricket charities: the Lord's Taverners, Chance to Shine and the PCA Benevolent Fund. The aim of the day is to raise awareness and funds for the charities to help improve lives through cricket. Cricket United Day is the UK's biggest cricket awareness and fundraising day, fully supported by ECB and Surrey CCC.

Funds raised from the day will help the Lord's Taverners give hundreds of disabled pupils across the UK the chance to represent their schools at competitive cricket. It will empower Chance to Shine to give thousands of school children the opportunity to play and learn through cricket and will enable the PCA Benevolent Fund to continue to run a confidential helpline, providing advice and treatment to players suffering from mental health issues.
